No problem. She is more than welcome. I am assuming she is driving with you. If you can plan on mentioning the redevelopment corridor at both the Allied and Portage Creek stops, that would be great.

Chelsea (our Flint ORISE intern) will be with me for the outreach events for the week – I know space is limited on this tour so let me know if I need to have her bow out on these.

Thanks!

You are all invited to tour the Allied Paper/Portage Creek/Kalamazoo River site on Tuesday 7/25/17. There is also a public meeting regarding the Proposed Plan for Area 2 of the Kalamazoo River at 6 pm at the Otsego Library, and you are all welcome to attend as well. On Wednesday 7/26/17 at 9 am there is a tour of the Kalamazoo Area 3 Otsego Time-Critical Removal Action (Paul Ruesch is coordinating the details of the TCRA tour and will send out details in a separate email).

Please let Michael Berkoff, Sheila Desai and I know if you are planning on attending the Tuesday tour, Wednesday tour or both. We have reserved 3 EPA vehicles and will provide transport to and from the EPA office. We can easily bring those who are only attending the Tuesday tour back to Chicago Tuesday evening.
